SOUTH LOUISIANA
CHAPTER

P.O. Box 11540, New Iberia, LA 70562

2017 MEMBERSHIP CAMPAIGN

On behalf of the IADC South Louisiana Chapter, we would like to thank you for your continued support of our chapter and attendance of our Topical Luncheons and our Annual Golf Tournament. In what has been one of the worst downturns in the Oil & Gas Industry history, we endeavor to march ahead and to continue providing high quality speakers and topics vital to our membership and community in the hope that a better understanding of Safety, Operations, Processes, Enhanced Technology, Equipment, and Political Issues will help weather the storm.

The South Louisiana Chapter is pleased with the attendance at our Luncheon Series and we are very pleased with the turnout we had for our 2016 Golf Tournament. The tournament was well attended with food & beverage sponsors on many holes. The awards night party provided great food and drinks and the ice sculptures we have become accustomed to, all provided by Taylors International. Door prizes were called out throughout the evening as usual. Considering how low attendance has been at other industry tournaments that preceded our October 2016 event, we feel it was a success. With your valuable participation, we were able to provide donations to local charities including Boys & Girls Clubs of Acadiana, Rebuilding Together Acadiana and to several other charities that provide women and their young children a safe haven, and health needs. In addition, we were also able to donate to our South Louisiana Chapter Scholarship Fund in which we awarded 27 scholarships valued at \$20,250 to qualified students. The scholarship program is available to active/paid member company employees and children qualifying and living within our geographic area. Should you be interested in knowing more on this valuable benefit to your company let us know, and our scholarship chairperson will answer any questions you may have.

*Over the past 27 years IADC Sola Chapter has provided in excess of \$886,150 in Scholarships and Charitable giving, something that we are extremely proud of and could not be done without your participation. We are a bit late this year getting started with our Membership Campaign so I ask that you submit your membership renewal at your earliest option. This year we are already seeing signs of better days ahead and with the **US Land Rig Count at 741** it's showing promise of what we hope will be a strong recovery for our industry Onshore, Offshore, Domestically & on the International Front.*

Again, thank you for your support and please contact me or any board member with questions or suggestions you may wish to provide for our South Louisiana Chapter.

Best regards,

Bob McKenzie

Interim Membership Chairman
