Greetings,

I hope this finds you all doing well and welcome to the 28th Annual IADC SoLa Golf Tournament. The South Louisiana Chapter of the IADC and the IADC Golf Committee would like to thank all of our members, tournament sponsors and participants for your continued support over the past Twenty-Seven (27) years. We have seen this tournament grow to become one of the premier industry golf tournaments along the Gulf Coast, thanks partially in part to your continued support and participation. This year we are again faced with many challenges as our industry appears to be shifting from survival into recovery mode.

Over the past 27 years IADC SoLa Chapter has provided in excess of \$886,150 in Scholarships and support to charitable organizations, something that we are extremely proud of and could not be done without your support and participation. In 2016 with the revenue generated through your support, this tournament was still able to award 27 qualifying applicants, with scholarships totaling \$20,250.00.

It is important to remember the scholarship program is [only available](#) to active/paid member company employees, spouses and children, who qualify and are living within our geographic area. Along with the golf tournament registration form we have attached the IADC Membership form for your convenience. Although it is not mandatory to be an IADC member to support or participate in the golf tournament, it is however imperative that in order for you and or your family to benefit from the scholarship fund raiser; your company must be a member of IADC South Louisiana Chapter. The membership is only \$100.00 per company including four employees. (*See form for details*)

On behalf of the IADC Chapter and Golf committee THANK YOU, for all of your support in the past as well as the future. This year's golf tournament will be held on Thursday October 5, 2017 consisting of morning and afternoon rounds followed by a casual social at Squirrel Run Golf Course in New Iberia, La. We look forward to seeing you there.

Kindest Regards,

Lonnie Lopez
Golf Tournament Chairman
